

Prisma Impianti is Your technology partner for improving productivity, efficiency and safety in the process and manufacturing industries of the world.
We offer a multidisciplinary turnkey service focusing on the needs of the Client, leveraging Our expertise of industrial plants and competencies in process control and smart analytics of production data.

Our priority is to serve and satisfy the Customer's needs and requests while minimizing environmental impact and ensuring safety and legality for all involved, for a better compliance with the interrelated standards of Quality, Environment, Health and Safety, Ethics.

Our Customers trust us to be diligent in our business practices, building strong and lasting relationships with them and with our Partners for mutual success.

Here at Prisma Impianti, we are committed to:

- ❖ Respecting local laws and the Customer's requirements and procedures;
- ❖ Developing a mutual working relationship for the well-being of the Employees;
- ❖ Professional growth for all collaborators, focusing not only on technical aspects, but also on safety and environmental concerns;
- ❖ Adapting environmentally friendly practices in order to minimize resource consumption and waste;
- ❖ Keeping Employees and Suppliers well-informed and aware of safety procedures to avoid injuries and accidents;
- ❖ Improving progressively and consistently, as our expectations continue to broaden.

Furthermore, we build our activities upon ethics sustainability by:

- ❖ Promoting and respecting universally recognized human rights on our own influence sphere including the cooperation with the business partners.
- ❖ Respecting freedom of association, labor rights laws and rejecting any kind of discrimination and exploitation.
- ❖ Adhering to a code of ethics stating the rejection of any non-transparent practice in the business management and in the relationships with all the involved stakeholders.

Prisma Impianti regards achieving these objectives as essential to the satisfaction and benefit of our Customers, Employees and Partners.

Signed on the 12th of the October 2022

Dott. Manuel ALFONSO
